

# Australia's only crocodile dive

**Come face to face with a Saltwater crocodile in the Cage of Death**

Crocosaurus Cove, located in the heart of Darwin city, allows visitors a unique, up close and personal view of Australia's iconic Saltwater crocodiles.

Bringing together some of the largest Saltwater crocodiles in Australia & boasting the World's largest display of Australian reptiles, Crocosaurus Cove is a must see attraction when visiting Darwin and the Top End.

Crocosaurus Cove is also home to the famous Cage of Death. The only cage in the world that brings you face to face with some of the largest Saltwater crocodiles in captivity. Go it alone or grab a friend – this is a once in a lifetime opportunity to share the same environment of one of the world's deadliest predators.

Thousands of people have been thrilled & terrified by sharing the very environment of a 5m + crocodile, while the unique activity has featured in media publications around the world.

Every dive includes 15 minutes in the enclosure with one of these massive reptiles. Regular feeding by our crocodile handlers while you are inside the cage encourages more movement from the crocodiles and ensures an up close and personal, face to face encounter that must be seen to be believed!

Operated by an over-head monorail and designed for 1 or 2 people per cage, the Cage of Death has you suspended above the crocodiles before being lowered into the pen to get an up close and personal look at these amazing reptiles.

Don't miss the chance of getting 360 degree views of you and the crocs as our on-site photographers captures amazing images both inside and outside of the crocodile enclosures.
