In the heart of Darwin City

Darwin Nights

Welcome

Crocosaurus Cove, Darwin's most unique and iconic event venue, is conveniently located in the heart of Darwin City.

Give your guests a true taste of Darwin by spending the evening surrounded by the iconic saltwater crocodiles and an array of native Top End reptiles.

Our events offer the opportunity for guests to learn from our knowledgeable animal handler guides while they partake in respectful interactions with our animals.

Guests can also watch a selected participant welcome everyone from inside the cage of Death, Australia's only crocodile dive!

Teaming up with Wixted Catering, a locally owned and operated catering company, Crocosaurus Cove offers inspirational new menus with fresh Australian produce.

The menus are designed especially for Crocosaurus Cove. They are substantial yet uncompromising in quality and sophistication, allowing us to provide both a unique venue as well as an exciting culinary experience.
